

# Club Rules

Javanon FC

Technical Director  
Juan Carlos Carreras

# Introduction

The purpose of the creation of these rules is to improve of the **social atmosphere** between family members of Javanon. At the time of writing the rules we have kept in mind the idiosyncrasy of our sport. Soccer is a team sport where **group success** prevails above individual interests.

According to the Javanon's Philosophy, not only do we intend to teach soccer, we also want to help in the **development of coexistence values**. For this it is necessary to follow and to respect the rules.

# Introduction

For the good functioning of Javanon, it is necessary to establish **rules** that will govern the different relationships existing in our soccer school between:

- Javanon and Players
